

# iSectors<sup>®</sup> 401(k) Plan Solutions: The unbundled choice for your Plan

## For Plan Sponsors

- Unbundled solutions team enables plan and provider flexibility
- iSectors partners with your advisor, who consults with you to help select investment options appropriate for your plan.
- iSectors works with multiple TPAs and Record Keepers
- Mid Atlantic Trust Company's first-of-its-kind ModelxChange<sup>SM</sup> Platform provides web-based custodial and trading services
- Fee disclosure to comply with new ERISA requirements improves cost transparency
- ERISA 3(38) services available

## For Plan Participants

- Your plan advisor conducts on-site education to assist participants with making investment selections consistent with their risk tolerance and goals.
- Globally-diversified institutional-class allocations designed to meet a wide range of investor risk profiles.
- iSectors<sup>®</sup> ETF-based models offer improved holdings transparency over mutual funds.
- Use of the iSectors models in conjunction with the Mid Atlantic ModelxChange<sup>SM</sup> Platform also helps reduce investment costs compared to actively managed mutual funds and group annuities.
